

RELIABILITY BUILT IN™

DESCRIPTION

T&S Brass and Bronze Works, Inc. is a leading manufacturer of faucets, fittings and specialty products and accessories for the foodservice, industrial, commercial plumbing and laboratory markets. Founded in 1947, the company introduced the industry's first pre-rinse unit, followed by key innovations like the foot pedal valve over the next decade.

T&S products are highly acclaimed throughout the industry for being well-built, long-lasting and reliable. Rigorous testing and a focus on interchangeability have helped set T&S apart from the competition for more than 70 years.
