

The Professional Cooking Range Specially Designed for Home Use!

The UNICO® Cooking System is a perfect fit for cooking aficionados. It is built with functions and power previously only available for commercial use. It is powerful yet compact enough to fit into your kitchen.

UNICO® Cooking System comes with a unique wok range for Chinese-style cooking, a versatile 4-burner range for multi-dish cooking, a large energy-efficient electric oven, a spacious drawer for utensils, a stainless steel backing for easy cleaning as well as a powerful cooker hood with an exhaust rate of over 1,000 cfm.

Home cooking will never be the same again
